DESCRIPTION

CoteN is Haifa's controlled-release nitrogen, supplying steady N over the crop cycle to cut nitrogen losses and the number of applications. As part of Haifa's globally trusted specialty range, it is manufactured to consistent, high-purity standards and is fully water-soluble for clog-free fertigation.

Key benefits

Gradual nitrogen release matched to crop uptake

Reduces leaching and volatilisation losses

Fewer nitrogen top-dressings

Blends easily into custom nutrient programs

Composition & how to use

controlled-release nitrogen

Soil- or media-incorporated, alone or blended with other fertilizers, to provide a controlled nitrogen base. For best results, Agrifirst agronomists will build a crop-specific feeding schedule based on your crop, soil, water quality and growth stage.
