

HaifaStim Calmaster

HaifaStim Calmaster by Haifa — is a calcium-based biostimulant that strengthens cells, improves fruit quality and extends shelf-life. Buy from Agrifirst, exclusive Haifa partner for North India.

DESCRIPTION

HaifaStim Calmaster is a calcium-based biostimulant that strengthens cells, improves fruit quality and extends shelf-life. As part of Haifa's globally trusted specialty range, it is manufactured to consistent, high-purity standards and is fully water-soluble for clog-free fertigation.

Key benefits

Improves calcium delivery to fruit and growing points

Reduces calcium-related disorders and improves firmness

Extends shelf-life and market quality

Complements calcium-nitrate fertigation

Composition & how to use

calcium biostimulant

Applied at fruit development, alongside calcium nutrition, to improve fruit quality and shelf-life. For best results, Agrifirst agronomists will build a crop-specific feeding schedule based on your crop, soil, water quality and growth stage.

Best-suited crops

Tomato, capsicum, apple and other calcium-sensitive fruit crops.

Why buy HaifaStim Calmaster from Agrifirst?

Agrifirst is the **exclusive Haifa partner for North India**. You get 100% genuine Haifa product, expert crop-nutrition guidance and reliable doorstep supply — plus a tailored program that gets the most out of every application.
