

## HaifaStim eNergy

HaifaStim eNergy by Haifa — energises plant metabolism and photosynthesis for stronger, more balanced growth. Buy from Agrifirst, exclusive Haifa partner for North India.

### DESCRIPTION

**HaifaStim eNergy** energises plant metabolism and photosynthesis for stronger, more balanced growth. As part of Haifa's globally trusted specialty range, it is manufactured to consistent, high-purity standards and is fully water-soluble for clog-free fertigation.

### Key benefits

Stimulates photosynthesis and plant metabolism

Supports balanced, vigorous growth

Improves nutrient-use efficiency

Helps sustain performance through demanding stages

### Composition & how to use

#### metabolic-energy biostimulant

Applied at active growth and high-demand stages to sustain metabolism and photosynthesis. For best results, Agrifirst agronomists will build a crop-specific feeding schedule based on your crop, soil, water quality and growth stage.

### Best-suited crops

Vegetables, fruit crops and flowers under intensive production.
