

HaifaStim Force

HaifaStim Force by Haifa — is a growth-promoting biostimulant that drives vegetative development and helps plants recover quickly from stress. Buy from Agrifirst, exclusive Haifa partner for North India.

DESCRIPTION

HaifaStim Force is a growth-promoting biostimulant that drives vegetative development and helps plants recover quickly from stress. As part of Haifa's globally trusted specialty range, it is manufactured to consistent, high-purity standards and is fully water-soluble for clog-free fertigation.

Key benefits

- Promotes strong vegetative growth
- Speeds recovery after stress or transplant shock
- Improves canopy development and vigour
- Fits easily into fertigation programs

Composition & how to use

growth-promoting biostimulant

Applied during vegetative growth and recovery phases to push development. For best results, Agrifirst agronomists will build a crop-specific feeding schedule based on your crop, soil, water quality and growth stage.
