

HaifaStim Rally

HaifaStim Rally by Haifa — helps crops recover and bounce back quickly after stress events, restoring healthy growth. Buy from Agrifirst, exclusive Haifa partner for North India.

DESCRIPTION

HaifaStim Rally helps crops recover and bounce back quickly after stress events, restoring healthy growth. As part of Haifa's globally trusted specialty range, it is manufactured to consistent, high-purity standards and is fully water-soluble for clog-free fertigation.

Key benefits

Speeds recovery after heat, cold, drought or transplant shock

Restores active growth and reduces setback

Protects yield potential after stress

Simple to apply through fertigation or foliar

Composition & how to use

stress-recovery biostimulant

Applied immediately after a stress event to help the crop recover and resume growth. For best results, Agrifirst agronomists will build a crop-specific feeding schedule based on your crop, soil, water quality and growth stage.
