

HaifaStim Vital

HaifaStim Vital by Haifa — is an all-round biostimulant that improves growth, quality and tolerance to stress across a wide range of crops. Buy from Agrifirst, exclusive Haifa partner for North India.

DESCRIPTION

HaifaStim Vital is an all-round biostimulant that improves growth, quality and tolerance to stress across a wide range of crops. As part of Haifa's globally trusted specialty range, it is manufactured to consistent, high-purity standards and is fully water-soluble for clog-free fertigation.

Key benefits

Broad, all-round support for growth and quality

Improves stress tolerance and consistency

Enhances nutrient-use efficiency

Flexible fit across many crops and stages

Composition & how to use

all-round biostimulant

Applied at key growth stages as a general biostimulant to support growth and quality. For best results, Agrifirst agronomists will build a crop-specific feeding schedule based on your crop, soil, water quality and growth stage.
