

HaifaStim Wall-Up

HaifaStim Wall-Up by Haifa — strengthens cell walls and plant structure to improve resistance to stress and enhance produce firmness and quality. Buy from Agrifirst, exclusive Haifa partner for North India.

DESCRIPTION

HaifaStim Wall-Up strengthens cell walls and plant structure to improve resistance to stress and enhance produce firmness and quality. As part of Haifa's globally trusted specialty range, it is manufactured to consistent, high-purity standards and is fully water-soluble for clog-free fertigation.

Key benefits

Reinforces cell walls for firmer, more durable produce

Improves resistance to abiotic stress and handling losses

Supports better shelf-life and market quality

Complements calcium nutrition programs

Composition & how to use

cell-wall strengthening biostimulant

Applied at fruit development and quality-building stages, alongside your calcium program. For best results, Agrifirst agronomists will build a crop-specific feeding schedule based on your crop, soil, water quality and growth stage.
