

## Multi-K Zn

Multi-K Zn by Haifa — is potassium nitrate enriched with zinc, feeding potassium and nitrate-nitrogen while correcting zinc deficiency for stronger, healthier growth. Buy from Agrifirst, exclusive Haifa partner for North India.

### DESCRIPTION

**Multi-K Zn** is potassium nitrate enriched with zinc, feeding potassium and nitrate-nitrogen while correcting zinc deficiency for stronger, healthier growth. As part of Haifa's globally trusted specialty range, it is manufactured to consistent, high-purity standards and is fully water-soluble for clog-free fertigation.

### Key benefits

Combines Multi-K nutrition with essential zinc in one product

Corrects and prevents zinc deficiency (small leaves, poor growth)

Chloride- and sodium-free; fully water-soluble

Supports enzyme activity, hormone balance and yield

### Composition & how to use

#### potassium nitrate + zinc

Applied through drip fertigation or as a foliar spray where zinc deficiency is a concern. For best results, Agrifirst agronomists will build a crop-specific feeding schedule based on your crop, soil, water quality and growth stage.
