

Multicote Agri

Multicote Agri by Haifa — is a controlled-release NPK for open-field vegetables and row crops, providing season-long, uniform feeding from a single dose with maximum nutrient-use efficiency. Buy from Agrifirst, exclusive Haifa partner for North India

DESCRIPTION

Multicote Agri is a controlled-release NPK for open-field vegetables and row crops, providing season-long, uniform feeding from a single dose with maximum nutrient-use efficiency. As part of Haifa's globally trusted specialty range, it is manufactured to consistent, high-purity standards and is fully water-soluble for clog-free fertigation.

Key benefits

Season-long nutrition from one application

Cuts the number of top-dressings and labour cost

Reduces leaching losses on light and sandy soils

Even, sustained growth and improved efficiency

Composition & how to use

controlled-release NPK

Soil-applied at planting for field vegetables and row crops; grade chosen for crop duration. For best results, Agrifirst agronomists will build a crop-specific feeding schedule based on your crop, soil, water quality and growth stage.
