

## Multicote Turf

Multicote Turf by Haifa — is a controlled-release fertilizer for turf, lawns and landscaping, delivering uniform, lasting greening without flush growth. Buy from Agrifirst, exclusive Haifa partner for North India.

### DESCRIPTION

**Multicote Turf** is a controlled-release fertilizer for turf, lawns and landscaping, delivering uniform, lasting greening without flush growth. As part of Haifa's globally trusted specialty range, it is manufactured to consistent, high-purity standards and is fully water-soluble for clog-free fertigation.

### Key benefits

Even, long-lasting colour without surge growth or mowing spikes

Fewer applications across the season

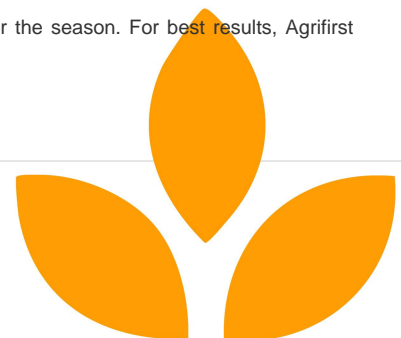

Low burn risk on fine turf

Efficient nutrition with reduced leaching

### Composition & how to use

#### controlled-release turf fertilizer

Broadcast onto turf and landscaping; release period selected for the season. For best results, Agrifirst agronomists will build a crop-specific feeding schedule based on your crop, soil, water quality and growth stage.

## Best-suited crops

Lawns, sports turf, golf courses and landscape plantings.

### Why buy Multicote Turf from Agrifirst?

Agrifirst is the **exclusive Haifa partner for North India**. You get 100% genuine Haifa product, expert crop-nutrition guidance and reliable doorstep supply — plus a tailored program that gets the most out of every application.
